JOUVEN'S INODOROUS PREPARATION FOR INSTANTLY

Cleaning Kid Gloves OF ANY COLOR, AND FOR BEAUTIFYING THE COMPLEXION, Price 25 cts. per Bottle. ONE BOTTLE CLEANS FIFTY PAIR OF GLOVES!

ONE BOTTLE CLEANS FIFTY PAIR OF GLOVES!

JOUVEN'S INODOROUS KID GLOVE CLEANER is the article used by the Kid Glove manufacturers of France to impart that purity and softness to the kid for which their gloves are so justly celebrased. When the glove leaves the hand of the sew r, it is naturally more or less soiled, and this preparation is resorted to, to cleanse and beautify it. To clean kid gloves, no matter how much soiled, or what color they are dip a pirce of white finnel in the preparation, and with it wipe off the dirt from the glove, and in a moment it is as pure and beautiful as when new; and as not the slightest ordor proceeds from it, the glove can be immediately worn. Full directions accompany each bottle. It is, also, the finest article in the world for cleaning Kid Sippers, &c., and if used for the toilet, will greatful beautify the complexion, remove ten and pimples of all kinds. The ladies of Louis Napoleon's Court use it, exclusive of any other, for this purpose. Beware of Counterfelts. The well-known name of Solomon Content, as manufacturer, is on all the labels of the genuine article; all others are spurious. HEALTH DEPENDS UPON PURE BLOOD. HIN and acrid blood cannot accrete healthy bile, and I therefore the first thing for those who are dyspeptic should be to commence the purification of their blood. BRANDRETH'S PILLS

Not only purify, but they make the blood richer, and add those principles upon which its power to resist disease depends.

Mild operation with successful effect are the fecuLiabity of Brandsers's Pills. Now that we may soon expect genial Spring, it is of great importance that a few
doses be used by the wise. Our race are subject to a redundancy of viitated bile at this season, and it is as danger
our as it is prevalent; but Brandreth's Pills afford an invaluable and efficient results. valuable and efficient protection By their occasional use, we prevent the collection of those impurities, which, when in sufficient quantities, cause so much danger to the fine organs of the stomach and bowels. They seen cure liver complaint, dyspepsia, loss of appetite, pain in the head, complaint, dyspepsia, loss of appetite, pain in the head, heart-burn, pain in the breast bone, sudden faintness and costiveness. In brief, Brandreth's Pills work their way to very roots of the disease, cleansing in their passage, removing every unhealthy accumulation, till the bood is purified, the whole system renovated, and the functions and duties of life become a pleasure, where before they had been sad and weary burdens.

We have thousands of similar testimonials to the following, and such evidence can be had from hiving witnesses all around us on every side. It is from a gentieman of high respectability, whose letter can be seen at the principal of

espectability, whose letter can be seen at the principal of e. He writes: For twenty years I have used your Pills as my family medi-cine, and I wish no other; and I have never had occasion to call a physician in my family, (save in the sickness of my wife with children) during the twenty years." TRUE MEDICINAL PRINCIPLES. Never extract blood Blood is the life. By abstracting it in painful diseases you may occasion the patient ease, but remember this ease is only the reduction or lessening the power to feel. And by thus taking away nature's tools, you may prevent her from fully repairing the ravages of in

flammation, and convert what might only have been the sickness of a few days or weeks into a chronic affection of months or years. PURGING BY MEANS OF BRANDRETH'S PILIS. This is the means which accords with nature—nature's remedy in fact. When sudden, acute or continued pain occurs, then to insure security you must take a medicine that will surely purge. There must be no shilly shallying, because every minute lost may be fatal.
